PRESCHOOL

CHISINAU INTERNATIONAL PRESCHOOL - CHIPS

SAFETY STRATEGY

2021 - 2022

SCHOOL FRAMEWORK

TIMETABLE

- School will operate a full school day 8:00 AM - 3:00 PM and the after-school program 3:00 PM - 6:00 PM.
- Students class will include the same group each day with teachers rotating classrooms. The number of children per group, the teacher-child ratio, and the physical organisation of rooms will be taken into account.

CLASSROOMS

- Classrooms will be aired during the breaks.
- Each classroom will be equipped with UV lamps.
- Students won't sit on the floor during the activities.
- For hygiene reason, class will be assured only with one time use cups.
- Specials classes will be conducted outdoors whenever weather permits followed by disinfection of equipment before the next use.
- The classroom atmosphere will include spaced seating arrangements, small groups, and individual activities.

ACCESS TO SCHOOL

SCHOOL ENTRANCE

- School drop-off and pick-up will be done at intervals scheduled in advance. Parents are requested to say goodbye outside and not to enter the building to prevent the risk of infection to children.
- Hand sanitizer and disinfecting mats will be placed at the main entrance and inside the building.
- Access into the building will be provided only if the student's temperature is not higher than 37.0C and doesn't present signs/symptoms of acute viral respiratory disease.
- Temperature will be taken at the entrance by the medical assistant.
- Student/parents will be encouraged to check their temperature while at home before coming to school.
- Track & Trace of our community from their vacations/overseas destinations, will be kept updated and those who have been abroad will be monitored.

STUDENTS

- Students will be met in the morning by the class teacher and together will go directly to class.
- School recommends that each child always have sanitary wipes as part of their equipment.
- Students must come to school only in cleaned daily clothes.
- After entering the building outdoor shoes will be changed with indoor shoes.
- The school recommends that students limit the items they carry with them between school and home.

ACCESS TO SCHOOL

PARENTS

- Parents will not enter the school unless they have an appointment.
- Every appointment should be set by phone in advance to administration.
- Parents can come to administration as follows:
Monday to Friday 12:00 - 2:00 PM, 4:00 - 5:00 PM.
- Anyone entering the school must follow socially distanced lines placed inside the school.
- The informative signs will be placed at the entrance, reception area, cubbies area, classes.

VISITORS

- Visitors can come to school by appointment only.
- Visitors should respect all the rules regarding disinfection, wearing the mask and physical distance.

STUDENTS WELLBEING

SOCIAL DISTANCE

- The desks will be arranged in such a way as to ensure social distance between students.
- Students will stay in the same class area, teachers will move, with the exception of the specials' classes.
- The number of outdoor activities will be increased.
- Socially distanced lines will be placed in the classrooms and on the corridors.
- All the safety and social distance measures will be explained to students, staff and parents before September's return in a series of informative materials

PROTECTION

- Every teacher is responsible for airing the classroom during each break for optimum air flow.
- Every staff member will wear a face mask or a transparent face shield.

HAND HYGIENE AND CLEANING

- Hand hygiene will be performed by students when entering the school, before and after eating food, each 2 hours during the day, and when leaving the school.
- Each entrance, each classroom, and each office will be equipped with disinfectant. Hand disinfecting process will be supervised by a teacher.
- All specials' classes will be disinfected before each new class.
- Disinfection of balustrades, door handles and frequently used surfaces will take place twice a day.
- The number of sanitizations (daily, deep cleaning) of all rooms (classrooms, corridors, toilets) will be increased. The final plan will be adjusted according to the authorities' requirements.

QUARANTINE

PROCEDURE

- If a child presents any symptoms of acute viral respiratory disease or the temperature is higher than 37.0°C the teacher will inform the nurse, parents will be announced immediately by phone and they should pick-up the child in max 1 hour.
- Returning to school will be possible only when parents present the medical certificate.
